City Manager
Steven Neuschafer

The City of Dunn is taking the COVID-19 situation very seriously. We are working with local City Officials as well as Harnett County on monitoring this virus. Our top priority is the safety and well-being of our community. We are making sure all **essential** City services are provided during this time.

A few changes that we are making to limit the spread of the virus includes:

1. The City of Dunn has temporarily suspended all disconnects for residential non-payment of bills. Customers should continue to make on-time payments or set up payment arrangements to avoid large balances and collection procedures later. Customers can utilize our Official Payments website <https://www.officialpayments.com/index.jsp> and follow their process to pay by phone, online, drive thru, or use the drop box near the drive thru window at City Hall. We discourage cash payments in the drop box. However, if need be, any cash payments that exceed the bill amount will be applied to your account as a credit. No payments will be accepted inside the office.
2. All Parks and Recreation activities are suspended, this includes all spring sports. Starting Wednesday, March 18th, the P.K. Vyas center will close the work out room, weight room, racquetball court, and batting cage. The gym will be open for indoor walking from 8:00am-5:00pm.
3. All City of Dunn Library activities have been cancelled until further notice. (Toddler Story Time, Family STEM, LEGO Club, Yoga With Miss Dollie, and the Local Author Reading.)
4. We are encouraging all residents that have any other business with the City to contact the party by telephone, when possible, to minimize direct contact.
5. City facilities are being disinfected routinely.

As with all situations of this much uncertainty, the City of Dunn will continue to monitor and make any necessary decisions regarding its operating procedures when needed. For questions or concerns, please call 910-230-3500.

where community matters
